

* TALK TO THIS HOUSE *

TRY IT OUT, JUST SAY:

"Alexa, talk to the property advisor."

While you see blue ring lit, you can just keep asking:

Who are the neighbors?
How is this neighborhood?
Send me cheat sheet?
Send me report?
Send me agent info?
How big it is?
How far are the schools?
What kind of shopping is around?
Where is the fire station?

Where are the hospitals?
How long is on the market?
How many bedrooms?
How many baths?
How old it is?
How much does it cost?
How many garages does it have?
Are there are any HOA dues?
Does it have any mello ross?

If you do not see blue ring, you will need to start with

"Alexa ask property advisor <your question>"
